Over the course of 11 Sundays this summer we are taking a journey with Alpha through some of life's biggest questions. Alpha is a series of interactive discussions about life, faith and God, designed to take place in an informal, fun and friendly environment.

Our particular Alpha journey this summer is centred around the brand new Alpha Film Series, a collection of excellent short films exploring some of the basics of the Christian faith. If you miss a Sunday, don't worry. You'll be able to find links to each Sunday's Alpha film or similar films on our website.

But the real fun is during the discussions after each film, so I hope you will join us in person for as many Sundays as possible this summer.

Our topic this week: Why and how should I read the Bible?
