

Jesus wept...

John 11:35

When Lazarus died, Jesus cried. He was sad about the death of his friend. Jesus knows what makes us sad, too. What things make you sad? Write or draw some of these things on the teardrops below. As you do, imagine how Jesus is with you in each of these situations.

Prayer: Jesus, we know you understand sadness. Thank you for being with us when we are sad. We pray that you fill us with your peace and comfort. Amen
